- My grandparents and their mini-farm
- My childhood

Why did I decide to search for a job in Denmark?

- My education from Ukraine (Agricultural University and Farming courses)
- Agricultural Sphere in 2006
- Searching for jobs in Ukraine

My first impression about the work in Denmark

- The difference between Ukrainian and Danish work style:
 1. Your leader works together with you
 2. Your leader trusts you (keys in the car and tractor)
- What was positive?
 - Motivation from my leader
- What was difficult to get used to?
 - Trust from my leader

Why did I decide to learn Danish?

- My wife and daughter came to Denmark
- Danish culture and traditions
- Integration
- Communication with our children
- Advice for farmers and new workers

Why did I decide to study at the Agricultural school?

- Support from Bjarne (my leader)
- Influence on my career
- New idea about how to take care of animals
- Danish education system:
 1. Free access to all materials
 2. Freedom in the communication with the teacher
 3. Several excursions

My responsibilities on the farm after the graduation

- Cow milking and treatment
- Cow registrations
- The work with the veterinarian and advisers
- Work with Bovisoft and DMS

New employees

- Training task
- First 2 months of learning
- Advice for new workers:
 1. Learn Danish from the first day
 2. To be responsible
 3. To be honest

Thanks a lot for your attention
